To All Residents

Dear Sir/Madam

### ACT OF VANDALISM IN THE CONDOMINIUM

Recently, Management office had received many reported cases of vandalism in the estate where lift call buttons were broken, intercom press buttons were damaged, side gates EM lock was ripped off the wire connection, shower taps/ soap dispensers were broken and even walkway tiles were drawn with coloured chalks.

The Management takes a serious view on vandalism cases and such inconsiderate and despicable acts had caused many damages and unnecessary costs to the condominium.

The Management has stepped up patrols in the estate premises and will not hesitate to report anyone responsible for such acts to the police.

We would like to seek the assistance of our residents to report any suspicious characters loitering around the estate or anyone seen committing the act of vandalism to the Security Personnel or the Management staff immediately.

We seek your co-operation and understanding in this matter.

Thank you.

Yours faithfully,  
SAVILLS PROPERTY MANAGEMENT PTE LTD  
Managing Agent

Rejani (Ms)  
Strata Residential Manager  
For and on behalf of MCST 3322
